**ORDER ACCEPTING FINDINGS AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

After making an independent review of the pleadings, files, and records in this case, and the Findings, Conclusions, and Recommendation of the United States Magistrate Judge dated January 8, 2015, the Court finds that the Findings, Conclusions, and Recommendation of the Magistrate Judge are correct, with the one correction below, and they are accepted as the Findings, Conclusions, and Recommendation of the Court. “MRI” as referenced on page 20 of the Findings should be “X-ray.” The Court is of the view that the correction does not affect the analysis.

IT IS, THEREFORE, ORDERED that the Findings, Conclusions, and Recommendation of the United States Magistrate Judge are accepted, as slightly corrected above.

SO ORDERED this 4th day of February, 2015.

BARBARA M. G. LYNN
UNITED STATES DISTRICT JUDGE
NORTHERN DISTRICT OF TEXAS
